

THE EASTERN IOWA AIRPORT
CEDAR RAPIDS

May 12, 2010

Re: CID Runway Construction -

Dear All Hangar Tenants:

The 2010 Construction season at The Eastern Iowa Airport is fast approaching. The construction will affect the airfield, taxi routes, and approaches. We urge all of you to check NOTAMS, the Airport Facility Directory, and the airport website for construction information. Updates are available at www.crairport.org by clicking on the "Construction Update" icon.

As a note, an FAA runway safety meeting is scheduled for the week of May 24, 2010. Please check our website for updated information. Also, please pay close attention to NOTAMS during Memorial Day weekend, the contractor is working in all areas of the airport.

As a reminder, starting June 3, 2010, at 5:00 am, **RUNWAY 9/27 will be CLOSED.** During that time, Taxiway A will be converted into Runway 8/26. Runway 13/31 will be **CLOSED** on July 5, through July 30. Runway 8/26 is the only usable runway at CID during this time.

Please contact me directly if you have any questions at 731.5716. Thank you for your patience while we continually improve The Eastern Iowa Airport.

Cordially,

Sara A. Mau, AAE
Director Of Operations
